

## Welcome Message

**Dear Colleagues and Friends,**

The [13<sup>th</sup> International Conference on Chemical Structures](#) (2025 ICCS) will be organized in Noordwijkerhout, The Netherlands on June 1-5, 2025. Building on past successes of the conference series, the 2025 event will offer a strong scientific program covering all aspects of cheminformatics and computational molecular design. The conference program will feature the following plenary sessions:

- Advanced Cheminformatics Techniques
- Artificial Intelligence, Machine Learning, and QSAR
- Integrative Structure-Based Drug Design
- New Modalities and Large Chemical Data Sets
- Open Science, Omics, and Natural Products

...And all other aspects of the computer handling of chemical structure information

[The conference](#) will offer a high-quality scientific program and it is expected to attract more than 200 participants from Europe and overseas from both academic and industry environments for four days of scientific exchange and casual interactions. At previous ICCS conferences approximately 60% of the attendees were from industry, and 40% were from academia.

The 2025 event will continue in the tradition of the ICCS and will be held at the Noordwijkerhout Conference Center in the Netherlands. Noordwijkerhout offers comfortable surroundings, is conveniently situated close to Schiphol Airport and is served by convenient road and rail connections.

We assure you that this is a high quality event that attracts both scientists and decision makers. The conference continues to be run on a sound financial basis.

[The 13<sup>th</sup> ICCS](#) is jointly supported by the following scientific societies:

- Division of Chemical Information of the American Chemical Society (ACS)
- The Chemical Structure Association Trust (CSA Trust)
- Division of Chemical Information and Computer Sciences of the Chemical Society of Japan (CSJ)
- Chemistry-Information-Computer Division of the German Chemical Society (GDCh)
- Royal Netherlands Chemical Society (KNCV)
- Chemical Information and Computer Applications Group of the Royal Society of Chemistry (RSC)
- Swiss Chemical Society (SCS)

The ICCS is recognized as the premiere event in cheminformatics, molecular modeling, and related disciplines. Participation in this conference will demonstrate your support for research in this area, enable you to promote your capabilities to the leaders in this scientific community, and also learn first-hand about recent developments. The organizers of the ICCS would like to reach out to you and kindly ask that you support this meeting with your sponsorship. There are four levels on offer: Premier, Platinum, Gold, and Silver. In addition there are opportunities to sponsor the conference bags and notebooks. Exhibition space is also available.

If we can be of any further assistance, please do not hesitate to get in touch.

With kind regards,

The organizers

## Sponsorship Information

The [ICCS](#) is offering to companies the opportunity to sponsor the 13<sup>th</sup> International Conference on Chemical Structures. Sponsorship shows your support for the academic and industrial research that supports chemical structures in electronic systems, and allows you to promote your products and services to leaders in this field.

The conference opens on Sunday evening with an invited lecture setting the scene for four days of scientific interaction. From Monday to Thursday the conference continues with six sessions of high-quality oral presentations. Two poster sessions complete the scientific program of ICCS. The poster sessions, lunches and dinners are co-located with the exhibition to maximize interaction between delegates and exhibitors. The conference language is English.

On the following pages, there are various sponsorship options listed, from which you may select the one best suiting the requirements of your company. Sponsors can choose one alternative separately or a combination of options.

All sponsors will be treated on a “first come – first served” basis. Sponsors will be highlighted on the ICCS website and in the book of abstracts.

Your contribution will be a key factor to the success of ICCS; your generous sponsorship will enhance the overall scientific importance of the symposium by allowing the organizing committee the ability to provide a high quality environment. The ICCS is also depending on your sponsorship to support selected PhD students with bursaries.

We hope that you will take advantage of the opportunities that the sponsorships options offer to you: promote your products in the best possible way and also reach a unique scientific audience, consisting of scientists from all over the world in the fields of drug discovery, agricultural research, environmental science, and cheminformatics.

The ICCS is a non-profit organization and is run entirely by volunteers. Thus, your sponsorship is especially important.

We look forward to our mutual cooperation.

## Sponsorship Levels

Sponsorships are available at four levels for the entire conference and for various give-aways. All prices are in Euro and do not include VAT since the organization is exempt from VAT.

### Sponsorship Categories

Sponsorship Level	Contribution	Maximum number of sponsors
Premier Sponsor	7,500 €	1
Platinum Sponsor	3,000 €	2
Gold Sponsor	2,000 €	no limit
Silver Sponsor	750 €	no limit

#### Premier Sponsor Benefits

- First priority choice: exhibition space booking
- One advertisement on the inside front or back cover of the Abstract Book
- Promotional material in the Symposium bag
- **Company logo on all pages of the conference website**
- Company logo and name on the sponsoring page of the conference
- www – link from the congress web site to the premier sponsor's website
- Company reference as Premier Sponsor in all symposium literature

#### Platinum Sponsor Benefits

- Second priority choice: exhibition space booking
- Promotional material in the Symposium bag
- **Company logo on all pages of the conference website**
- Company logo and name on the sponsoring page of the conference
- www – link from the congress web site to the platinum sponsor's website
- Company reference as Platinum Sponsor in all symposium literature

#### Gold Sponsor Benefits

- Third priority choice: exhibition space booking
- Promotional material in the Symposium bag
- Company logo and name on the sponsoring page of the conference
- www – link from the congress web site to the gold sponsor's website
- Company reference as Gold Sponsor in all symposium literature

#### Silver Sponsor Benefits

- Fourth priority choice: exhibition space booking
- Company logo and name on the sponsoring page of the conference
- www – link from the congress web site to the silver sponsor's website
- Company reference as Silver Sponsor in all congress literature

## Alternative Sponsors Benefits

### Give Aways

#### Congress Bags

A congress bag with all necessary congress material will be distributed to each participant. The organizers of ICCS invite you to submit a bag of suitable style and quality that will be distributed to all conference attendees at no charge. It is expected that the bag will feature the sponsor company's name and logo and additionally the conference name and logo.

Your sponsorship will be acknowledged in the Book of Abstracts and on the ICCS website.

#### Writing Pad

You are invited to provide a writing pad of suitable quality and style for inclusion in the conference bag.

Your sponsorship will be acknowledged in the Book of Abstracts and on the ICCS website.

## Exhibition Information

- Maximum number of booths available is 19
- exhibition space totaling 10 square meters
- electricity supply: wall plug with 2 sockets
- free WLAN access
- 3 chairs
- 1 table

## Important Dates

- Set up June 1<sup>st</sup>, 2025
- Exhibition June 2-4<sup>th</sup>, 2025
- Dismantle June 4<sup>th</sup>, 2025

**€3,500 including one full registration with accommodation meals, and events**

**In case of registration before April, 16<sup>th</sup> 2025, an early registration discount of € 250 is applicable.**

## Exhibition Terms

The exhibitor fee includes full registration for one exhibitor. Additional booth staff is required to register as full participants. The maximum number of exhibitors per booth is two. All registered exhibitors are entitled to attend all scientific and social events including the conference cruise and dinner.

Mid of May 2025 the organizers of the ICCS will distribute an exhibitors' newsletter to all registered attendees of the conference. Each exhibitor is entitled to include one page in the newsletter. The page in PDF format must be provided no later than May 1<sup>st</sup>, 2025.

Exhibitors are free to use their own booth material, provided that it fits the booth dimensions, as well as their own booth construction crew.

Please use the enclosed *Exhibition and Sponsor Registration Form* to make your binding application to take part in the exhibition. Send the completed form to Frank Oellien ([Frank.Oellien@abbvie.com](mailto:Frank.Oellien@abbvie.com)) or Willem Jaspers ([w.jespers@lacdr.leidenuniv.nl](mailto:w.jespers@lacdr.leidenuniv.nl)). Please add the conference office in CC ([iccs@lacdr.leidenuniv.nl](mailto:iccs@lacdr.leidenuniv.nl)). Allocation of the booth is based on sponsorship level and date of receipt of the *Exhibition and Sponsor Form*. Location of the booths is shown on the floor plan on the following page. If the particular location requested by an exhibitor is not available, a space will be assigned that is as close as possible to the preferred location.

After receipt of the *Exhibition and Sponsor Registration Form* you will be e-mailed an access key that allows you to register as an exhibitor for the conference. During the registration process an invoice will be generated that is payable within 14 days. All prices are in Euro and do not include VAT since the organization is exempt from VAT. Please note that sponsorship and registration for the exhibition are binding. In addition, the general Terms & Conditions of the conference, available from the conference web site ([www.iccs-nl.org](http://www.iccs-nl.org)), are applicable.

For further information concerning the exhibition, you are kindly requested to contact Frank Oellien ([Frank.Oellien@abbvie.com](mailto:Frank.Oellien@abbvie.com)).

## Workshops

- 2 parallel workshops on Sunday, June 1<sup>st</sup>, 15:00 – 17:00
- 2 parallel workshops on Thursday, June 5<sup>th</sup>, 14:00 – 16:00
- maximum capacity of 40 participants per workshop
- projector, screen and flip-chart included
- free coffee for all participants

**1,500 € per workshop in addition to the 3,500 € for an exhibition pass**

### Workshop Terms

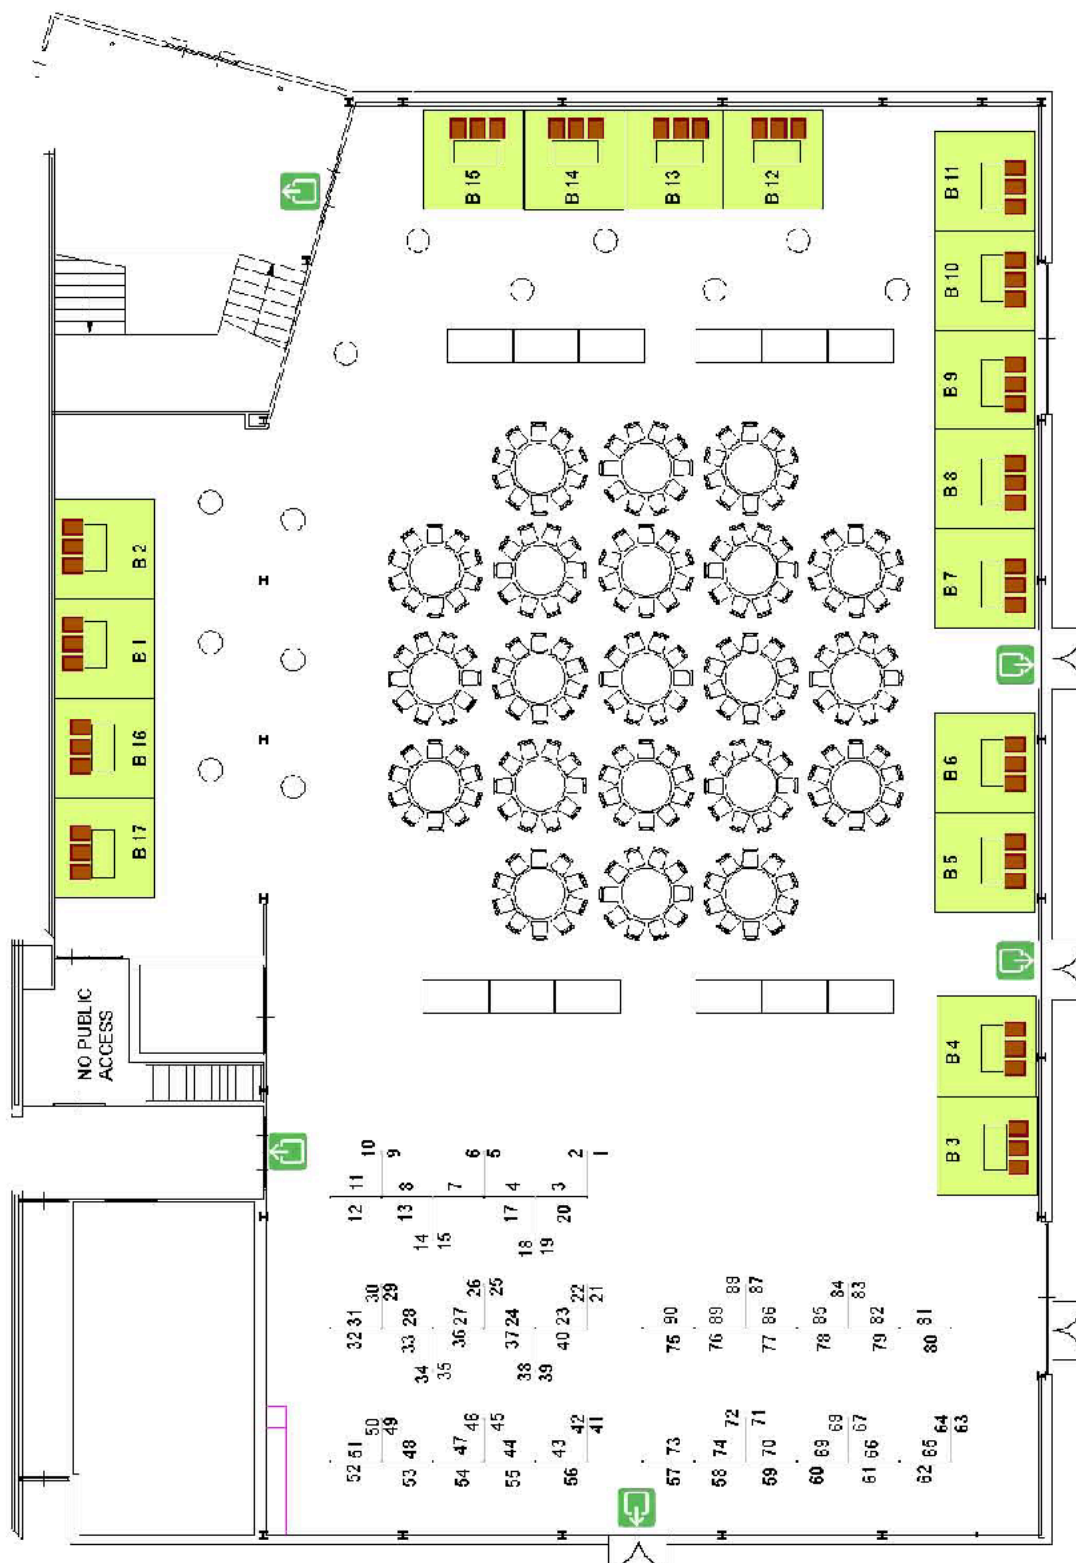

For exhibitors, there is the possibility to organize a workshop before and after the official program of the conference. Only registered participants of the conference are entitled to attend a workshop. The registration to the conference includes the option to register for one workshop on Sunday, June 1<sup>st</sup> and on Thursday, June 5<sup>th</sup>. Attendance of a workshop is free.

The content of the workshops is the sole responsibility of the workshop organizers; the organizers of the conference are not responsible for the content of the pre- and post-conference workshops. The workshops will be part of the official program of the conference. Each workshop organizer can introduce the contents of the workshop on the conference web site and in the Abstract Book (max. 1 page).

Audiovisual equipment (projector, screen, flip-chart) is included in the workshop fee. The workshop organizers are free to use additional equipment (e.g. computers).

For availability and further information concerning the workshops, and please contact Frank Oellien ([Frank.Oellien@abbvie.com](mailto:Frank.Oellien@abbvie.com)).
